

## SOUTHEAST CLASS OF 1958

### IT'S HAPPENING! A 50TH REUNION

July 25 and July 26, 2008

Fall 1955...An impressive new structure had arisen from nature's landscape. The dirt road, bordering on the north, was a clear indication of a time past. Remnants from an earlier season's plantings provided the building...a building not yet quite complete... with an unsightly view. The dirt road and the corn stalks painted an incompatible picture when placed near the new structure. But these inconsistencies were no greater than the differences that faced the first group of students who would, for the first time, enter this building to be known as Southeast High School.

Three years later, members of the 1958 graduating class of Southeast, took a train ride to a place unknown as a final act of togetherness...a togetherness that started with the freshness of a new building, new traditions, new experiences, new friends.

Now, fifty years later, after a number of months of discussion, discovery, and planning, the Southeast High School graduating class of 1958 is pleased to announce that we shall once again gather on July 25, and 26, 2008, in Lincoln, Nebraska, and relive those memories of a time long past. Those memories may have faded, grown, or improved. Accomplishments are far more memorable than they were in reality. Failures, if any, no longer matter. And, that is good.

It would be our hope that everyone will make an effort to attend this 50th Reunion for we likely will not have a 100th Reunion.

The committee has been meeting and making various arrangements. Input from previous communications have been considered in the planning of this event. Recognizing that many different thoughts have been offered, and often in conflict with each other, the goal of our 50th reunion is simply for everyone to feel comfortable, have fun, and enjoy the weekend. The wonderful thing about being our age is that we are what we are and that is good.

Now, your class assignments. Please fill out the Reservation Form and, if a spouse is attending and we certainly would hope so, provide us the information listed. The cost is \$65 per person which includes location costs, miscellaneous "stuff", munchies for Friday and dinner on Saturday. Cash bars will be available on both nights. A yearbook will be provided in the registration fee and we will attempt to distribute those to all attendees several weeks in advance of the reunion. This will allow you to do your homework before the weekend and be prepared to

visit with all in attendance. The committee has received some donations that will assist in keeping the costs as reasonable as possible. Please send your reservation form and check to Stan Cohen as provided on form. We believe everyone will find value in this weekend of memories.

And, please send in or e-mail the yearbook information even if you are unable to attend. This will provide great reading for years to come. If you have e-mail addresses, please provide as that will help with mailing costs as we will continue to try and provide updated information.

Finally, we have done our best to locate all members of our class, but recognize that errors may exist. We have provided a list of those members of our class that have been reported deceased. If you have more current information, please provide that information to us. The most recent listing is provided with this communication.

So, do your assignments immediately for late papers will receive grade deductions. And, extra credit will be given to those who comply with Dr. Ogden's rules of student performance: do quality work, do it on time, and show up. See you in July!
