Dear Parent(s)/Guardian(s),

Our first club day is quickly approaching and your student will have the opportunity to sign up for the club(s) of their choice.

Students have the option of attending the club meetings they are involved in three-four times each semester during the day on an Early Release PLC school day. On Club Day students will receive a pass for the class period in which their club meets and will be released to that club.

We will be allowing students to zoom in to their clubs on the club days that fall on a day that they are zooming into their classes or if they are a “Z” (full time remote) student.

We encourage you to talk with your student about the clubs they are interested in. Feel free to view a list of our current clubs on the LSE website under “Activities”.

If you do not want your child to participate in Club Day or would like your child to not join a particular club, please print this form and return it to the main office.

\_\_\_\_\_ My child does not have permission to participate in clubs.
